

Better Internet PH

July 7, 2023

Mr. Lito Villanueva

Chairman

Fintech Alliance.PH

Dear Mr. Villanueva:

We at *Better Internet PH* express our sincere gratitude to Fintech Alliance.PH for attending the ceremonial signing of the Joint Statement of Support for the Open Access in Internet Services (OAIS) bill yesterday at the Discovery Primea. We were thrilled to have you join us and we hope that the event highlighted the importance of OAIS in advancing your organization's main thrusts. Your participation sent a strong message to Congress and the Office of the President about the need to prioritize Open Access.

Attached here is a copy of the signed statement that we will be sharing with the offices of the Senate President and the Senate Committee on Science and Technology. We are also happy to share with you copies of select photos from the event. Please feel free to use them for your own publicity materials.

Thank you again for your support. We look forward to continuously collaborating with you on this landmark digital connectivity legislation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mary Grace Mirandilla-Santos', with a horizontal line drawn across the middle of the signature.

Mary Grace Mirandilla-Santos

Lead Advocate
